**Merry Christmas 2018**

Dear Friends,

It's Christmas time again. It is the happiest part of the year because we celebrate the birthday of the greatest gift God has given to prove His love for us. His name is Jesus. "God so loved the world that He gave his only begotten Son that whoever believes in Him will not perish, but have everlasting life." (John 3:16) We want to share this message to all the world. That is why General Board of Global Ministries is sending missionaries all around the globe. And yes, we are in Cambodia through the Street Children Ministry.

The Street Children in Cambodia, together with their families have been enjoying the blessings of knowing Christ and had better life towards more abundant life. Jesus said, "I came that they may have life and have it more abundantly. (John 10:10). These children, youth and their families wish to give back the love that you are sending by bringing you their best greetings for a Very Merry Christmas and a Happy New Year.

Jesus came to bring good news to the poor, give sight to the blind, mend the broken hearted, set the captives free and proclaim the reign of God. Yes, let us continue to bring this good news to the under-privileged children, HIV/AIDS patients, and the sick people of Cambodia, the poor who are receiving blessings through Methodist Ministry of Cambodia (MMC). They are praising God together through their songs and dances in celebration for the birthday of Jesus. God's grace through your love has sustained sufficiently..

We are now preparing for this great day, the annual celebration of Christmas. Everyone is enthusiastic as seen in their eagerness to participate and cooperate with the staff not only in the preparation but also visiting the sick as they support one another.

We, together with the staff are doing our best effort, time and energy to make every activity become a success. Activities like educational guided tours, Sunday school, visiting the orphanages and celebrating national festivities. This is such a great privilege to be instruments to bring the Good News to these poor and marginalized children and their parents. It is a joy to watch them grow into mature and faithful Christians. They come responsible family members and citizens as they study and adopt social skills, vocational skills that guide them towards their goal in life. This is our ministry.

Thank you so much! You are indeed a blessing to these poor children and their families. You have become answers to their prayers. Miracles have happened in their lives. May God's blessings be multiplied as God showers his blessings upon you. May these blessings flow from God's children to all the people in need. Thank you for your prayers and love. Our ministry could have not been possible without you.

To show their love and gratefulness, we attaching Christmas cards that have been sketched by our children. Have the most blessed Christmas and Prosperous New Year!!!
