## CHILDREN AND YOUTH

- + Lower Primary Class – Children’s Classroom next to Nursery
  - Our December through April lessons follow Jesus’ life from birth to resurrection - stories from His life that are at a level that PreK4 & Kindergarten students can understand & embrace. May through November lessons have been “Bible classics” - Adam & Eve, Noah’s Ark, Jonah & the Whale, Moses, etc., usually on a monthly basis. A stack of text/coloring books, along with children’s Bibles that are used for reference. The main focus is on the coordinating Bible verse and doing some sort of activity with that.
  
- + Older Children, 1<sup>st</sup>-5<sup>th</sup> Grades – Children’s Classroom
  - We have a lively class for older children, centered on Bible truths and how they pertain to our personal lives. We use Abingdon Press study guides for children, which include Bible stories, memory verses, prayers of thanksgiving and intercession for family and friends, and creative activities to make coming to Sunday School enjoyable!
  
- + Youth Sunday School Class – Youth Classroom
  - Where Youth come together to learn about God’s word and His amazing love.
